Quantum Physicist / Data Scientist: Software Development and Quantum Technologies

Education

University of the Basque Country (UPV/EHU) — *Leioa, Spain*
Master of Quantum Science and Technology — *2024 - 2025*

- Thesis: Simulation of Navier-Stokes equations through Quantum Computing

Quantum Computing · Quantum Technologies

University of the Basque Country (UPV/EHU) — *Leioa, Spain*
Degree of Physics — *2020 - 2024*

- Thesis: Discussion and Simulation of Shor and Grover Quantum Algorithms

Physics · Computing

Professional Experience

Ayesa Ibermática/I3B — *Derio, Spain*
Quantum Data Scientist — *2025 - present*

- R&D on Quantum Technologies: Tensor Networks, Optimization, Quantum Machine Learning
- Industrial applications of Quantum Technologies

Ayesa Ibermática/I3B — *Derio, Spain*
Quantum Data Scientist Intern — *2025*

- Development of my Master's Thesis on Quantum Computational Fluid Dynamics techniques (Quantum CFD)
